# The Story of the Sandwich

**John Montagu, of Sandwich** in England (1718-1792), loved to eat his dinner in between two pieces of bread, so that he would not have to stop working while he ate. Today, in America, people eat more than 300 million sandwiches every day!

## Answer in your notebook

1. Who was the first person to eat a sandwich?

Lord Sandwich

2. Where did he live? England

3. How many sandwiches do people in America eat every day?

300 million sandwiches

# More Fun with Food

$$\text{Apple} + \text{Apple} + \text{Apple} = 30$$

$$\text{Apple} + \text{Banana} + \text{Banana} = 18$$

$$\text{Banana} - \text{Coconut} = 2$$

$$\text{Coconut} + \text{Apple} + \text{Banana} = ??$$
