## NATIONAL REPOSITORY

- The National Repository is a **META-framework for the certification of competences. It includes all repertoires of education and training titles and professional qualifications issued in Italy**
- The IT infrastructure is ***Atlante del Lavoro e delle qualificazioni*** (Atlas of work and qualifications)

<https://atlantelavoro.inapp.org/index.php>

***Atlante* is based on two ordering criteria:**

- **Classification of Professional economic sectors**
- **National Qualification Framework**

**National  
guidelines for  
certification of  
etences**

**DRAFT**

**Common standards of  
services for validation  
and certification.
