Strenghts

Increased knowledge about EQF and NQF

Stakeholder engagement and coordination

Very active involvement of the participating key persons

Connections among sectors, intersectorial dialogue and increased understanding

Challenges

To strengthen trust in:

- NQF and its advantages
- between the sectors

Awareness of the long lasting and dynamic process

Overcome the difficulties to coordinate the decision making process (3 elections in 1 year) to be put on the agenda of the next Government

Inclusion of further sectors (Tourism, Health, etc..)
