IF YOU GOT THIS MESSAGE
YOU'RE PROBABLY
A GREAT MENTOR

We are looking for you - DATA experts
to be our mentors

sounds interesting?
Let's continue to
the next page

# NICE TO MEET YOU

Data Analysis

מגמת מידע ונתונים

כי יצ'ל לה כוח

We are the Data Analysis program

in the Ministry of Education

Our students in 10-12 K across the country

Learn from the best experts

To be excellent data analysts.

You can read more about the course content right here

# ABOUT THE FINAL PROJECT

Students write an analytical report on a research topic of their choice.
As part of the report, the students analyze a database on the chosen topic,
Build a dashboard that reflects the relevant data,
Write a comprehensive report with insights and recommendations
and finally presenting their Data based insights.
You can read more about the analytical study right here

you got me curious
