

Ministry of Education Moodle Platform
"הכנה לבגרות בעל פה באנגלית" -Preparation for COBE"

Dear English High School Teachers,

Help your learners get ready for the COBE (Computerized Oral Bagrut Exam) both from school and home in a way that is similar to the ITest and free of charge. We are excited to announce that we have developed a single Ministry of Education Moodle Platform "הכנה לבגרות בעל פה באנגלית" **-Preparation for COBE** that not only allows students to record themselves on all three parts of the exam but also allows you to assess their recordings for evaluation.

Would you like to see a sample copy of this Moodle Template and try it out as a student? You can do so by clicking on the link below:

To request as many copies of the template as you need with your students already enrolled click on the following link:
