

COBE ANSWER KEYS 2019

Answer Key Winter Simulation, December 2019 (HAREDI SECTOR)

Test 1 (Haredi)

Students are given a choice of TWO topics for PART A

*The answer to the chosen question set should flow as one continuous cohesive response, not short answers per question.

*Complete answers should be 1 to 2 minutes.

*Students must relate to ALL questions and aspects in a question set, including explanations when asked.

****Answers less than 20 seconds will receive a zero for all criteria**

PART A [Q1]: BEING FAMOUS

Today I'm going to ask you about being famous.

- Do you think being famous is a good goal in life?
- Would you like to be famous? Explain why or why not.
- If you became famous, do you think you would still hang out with the same friends? Explain.

ANSWER: The student should relate to the issue of being famous and whether or not it's a good goal in life and explain their reasoning. They should then relate to whether they would like to be famous or not and provide an explanation either way. They should provide an opinion relating to what would happen to their friendships as they are now if they were to become famous. They should back this up with an explanation. NOTE: The student must relate to all the questions asked.

OR [Q.2] GAMES

Today I'm going to ask you about...games.

- What kind of games do you like to play? Explain.
- What do you think makes a good game? Explain.

Answer: The student should relate to playing games and what kind of games they like to play. If they don't like to play games, they can state that as well. Either way they have to provide an explanation for their choice. The student should express an opinion on what makes a game good. They should provide a clear explanation of their choice.

PART B [Q. 3] PROJECT PRESENTATION

*The answer should flow as one continuous cohesive response, not short answers per question.

*Complete answers should be 1 to 2 minutes.

*Answers **less than one minute** will receive deductions across ALL criteria according to the deduction table for length. (See ToS)

*Students must relate to ALL questions and aspects in a question set, including explanations when asked.

*Students must relate SPECIFICALLY to their projects and not give general answers.

****Answers less than 20 seconds will receive a zero for all criteria**

- To begin with, tell me what your topic was and what you were hoping to learn from it.

- Also, after having finished your project, are you proud of your work? Give examples from your project showing what you are proud of or what you aren't proud of and explain.

Answer: The answer should include information on the topic of their project, what they were hoping to learn from the topic and doing this project on that topic. They should also relate to what and/or how they feel now that they've done their project and whether they are proud of their work or not, again relating directly to the project and providing examples. There must be examples and explanations to completely answer the question.

PART C [Q4]: (LEVEL 1) Mouse with big ears in pet shop

*The answer should flow as one continuous cohesive response, not short answers per question.

*Complete answers should be 1 to 2 minutes.

[Main events in the clip]

- There is a mouse in a pet shop that wants to be taken home
- The mouse has very big ears
- The little bug in the mouse's cage laughs at the mouse
- Two people come into the shop and laugh at the mouse
- The mouse sees a potential owner and tries to get his attention
- The mouse tries to throw something at the boy, but misses
- The mouse throws the bug at the boy and turns off the music
- The boy comes to the mouse's cage and sees the mouse
- The boy takes off his earphones and smiles
- The boy also has big ears
- They are both happy
- At the end, the mouse feels grateful to the boy for taking him home/ At the end the mouse feels like he's finally found someone who understands him.

[Q5] (LEVEL 2)

*The answer should flow as one continuous cohesive response, not short answers per question.

*Complete answers should be 1 to 2 minutes.

*Students must relate to ALL questions and aspects in a question set, including explanations when asked.

****Answers less than 20 seconds will receive a zero for all criteria**
