Transcript of the panel (2 minutes)

(Noise in classroom. Students moving chairs and sitting down)

(Man's voice)

Moderator: Okay, everyone. Please be quiet. On November 5th, you will choose one student to be on the student council. The student council meets with the principal and teachers to make decisions about topics that are important to students. So listen carefully. The student you choose will make decisions for you. There are four students who want to be on the student council. Today we will hear from Mike Carson and Jody Hill. Tomorrow, Tina Sheldon and John Haliday will speak. The first speaker is Mike Carson. Mike please...

Mike: Hi, everyone. There are two subjects that I think are very important: one is school uniforms and the other is homework. First, I think we should wear school uniforms. Some students complain about wearing uniforms, but when we wear the same clothes it solves a lot of problems. For example, there is no competition for the best clothes and nobody has to waste time in the morning thinking about what to wear. Second, I think that our teachers give us too much homework. I'll fight for less homework. Vote for me and you won't have to worry about choosing what to wear for school. You will also have less homework and more time for fun.

Moderator: Thank you, Mike. Now, let's hear from our second student, Jody Hilton. Jody, please...

Jody: Hi, everyone. Mike wants school uniforms but I'm against wearing them. I believe that students should be free to wear what they want. Another problem that I want to talk about is keeping the school clean. I think all students should try to keep the school clean. We can all share the work. If each student stays after school just once a month to clean the classroom, our school will be a nicer place. If you vote for me, you'll

have a cleaner school, and no school uniforms.

Moderator: Thank you, Jody and Mike. Both of you have given us a lot to think about. Remember -- elections for student council will be held on November 5th. On election day you will vote for one candidate. The student with the most votes will join next year's student council. We will meet here again tomorrow to hear Tina and John speak.
