Interviewer: Hello everyone and welcome to this morning's radio program. Today I am speaking to Natalie Taylor who works in an unusual shop. Natalie, please tell us about this shop.

Natalie: I work in a small shop that only sells umbrellas. In fact, it is the only shop in England that sells umbrellas and nothing else. My grandfather opened this umbrella shop over 60 years ago. He called the shop "Umbrellas for All". Although my grandfather started the shop, he doesn't work here now. My brother and I work here together.

Interviewer: So you both work in your family's umbrella shop. Do you enjoy it?

Natalie: Yes, I love working here. It is so exciting to meet people from all over the world who come to our shop. All these different people make every day special. And, of course, the umbrellas are very interesting.

Interviewer: What is so interesting about umbrellas?

Natalie: Well, there are many different kinds of umbrellas. There are small umbrellas that fit in your bag, and huge umbrellas that can keep 10 people dry when they are walking together...

Interviewer: That must look very strange. Which are your favorite umbrellas?

Natalie: Well, we sell lots of umbrellas that have jokes written on them. They all begin with a question and have a funny answer. They really make people laugh. I like those umbrellas best.

Interviewer: Oooh, can you give me an example of a joke that is on an umbrella?

Natalie: hmmm... Yes! I can give you an example: The question is: Why do people carry umbrellas?

Interviewer: Why do people carry umbrellas?

Natalie: The answer is: because umbrellas can't walk!

Interviewer: Oh! That is funny! Are these funny umbrellas your most popular ones?

Natalie: No, they are not. Actually, the most popular umbrellas are the ones that don't break when there is a strong wind.

Interviewer: I definitely want one of those. An umbrella that won't break when there is a strong wind. That is really useful.

Natalie: You can come to our shop and buy one of these super strong umbrellas. Or you can phone us and we will mail it to you. And of course, you can also buy it online.

Interviewer: That's great. Thank you for talking to us today, Natalie. And that's the end of our program, listeners. Goodbye.

Tina: Hi Robert, good morning! How are you?

Robert: Hi Tina. I had such a strange dream last night. I can't stop thinking about it.

Tina: Do you remember it?

Robert: Yes, I can remember my dream really well. It felt so real...

Tina: So tell me... what was it about?

Robert: Well, I dreamed that my family and I were all working in the kitchen, getting dinner ready. We made my favourite meal, pasta salad. When everything was ready, just as we were going to begin eating, something strange happened.

Tina: What happened?

Robert: Well, I sat down for my meal when I heard someone shouting my name "Robert! Robert! Come now!" I heard it very clearly. I told my family that someone was calling me... But they all said that they couldn't hear anyone. Then I heard the shouting get louder. It sounded like a woman. The voice said "I am outside your school. Please come now!"

Tina: So what did you do?

Robert: In my dream, I ran out of my house all the way to school...

Tina: And was the woman outside the school?

Robert: Yes. I saw an old lady there. When she saw me she said: "Robert, I am so happy you came. I have something to tell you."

Tina: So what did she tell you?

Robert: She said: "Robert, you lost your watch, but I know where it is."

Tina: You mean the watch you lost last week when you went swimming?!

Robert: Yes! That watch! And then the woman told me where to look for it. I woke up and looked for my watch exactly where the woman in my dream told me to. And guess what? I found it!

Tina: That's amazing! Where was it?

Robert: In the bag I used last week when I went swimming! I put my watch in my bag before I went in the water and forgot all about it. I am so happy I had this dream. It helped me remember where I put my watch.

Tina: Well it's great that the woman in your dream helped you remember. Do you know who she was?

Robert: No, I don't know who she was, I have never seen her before.

Tina: I see...Come on Robert, it's almost 8 o'clock, let's go into school now.

Robert: You're right! We don't want to be late for class.
