

Using Digital  
Tools is Fun

## Read & Enjoy

(For elementary school teachers)

Based on teaching materials developed by the Pedagogical Secretariat, the English Language dept.

Use the Microsoft Teams "[Reading Progress](#)" digital tool. Review the [Guidelines](#) and watch the [Tutorial](#) (sign-in using Uniform Identification and corporate email).

1. Have students read aloud the text: "[The Dragon](#)".
2. Conduct a class discussion about the differences between silent reading and reading aloud and formulate standards characterizing fluent and accurate reading aloud.
3. Ask Students to read and record the text: "[The Twelve Months](#)" using the digital tool\*.
4. Document data on students' reading quality and provide feedback according to the previously defined criteria.

\*The tool can be used on a variety of occasions throughout the year to achieve a fluency of reading for all students.

\*\* The example was developed according to principles based on the UDL approach - Universal Design for Learning: Fairness, Equality and Differentiation
