M.. G..

My favorite song in this link - [The song "FORMULA Jungle"](#) - the song about girls that invite you to come to the jungle, They want to show that they survive in the jungle and show how good they are.

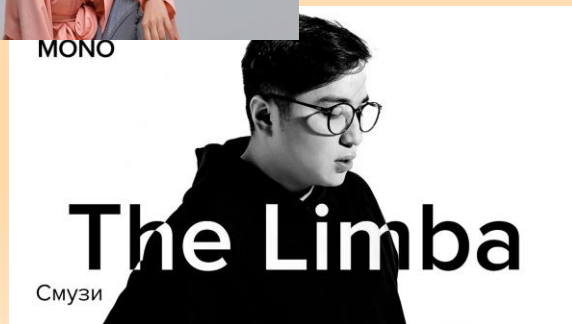

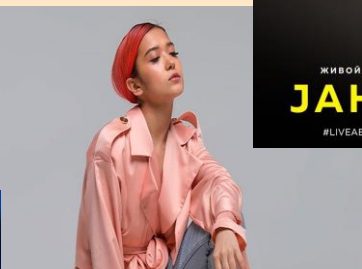

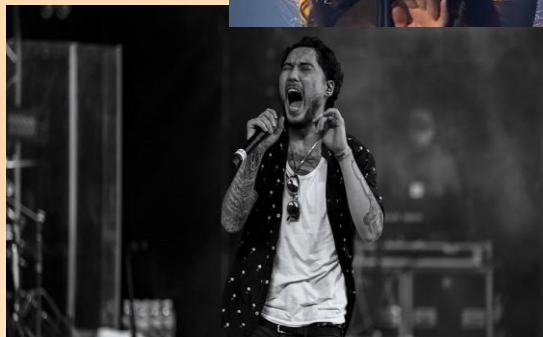

L.. I..

My favorite song in this link - [the song heart attack](#) about a girl who doesn't want to fall in love so she built a wall for herself. And she's used to getting what she wants. And until she falls in love she is not good enough for him and every time she is beside him she does not behave normally . And he makes her feel something in life she didn't feel, but she said if she ever falls in love she will have a heart attack.

## Our Language:

Енді мені қинама  
Алдың миды сиқырлап  
Байланамын жаныңа  
Ауыр сезімді арқалап  
  
Пәтердің бөлмелері тар  
Түнде көңілімде қар  
Сезім шөлдегені ма?  
Мен өзіңе құмармын.  
Сезіп айталмады ма?  
Әлде сайтан алды ма  
Тағы қайталанды ма?  
Айт?

Қиялдан көзіңді аш  
Түстердің ішіне кіріп сені оятам  
Кедергі көлеңкелердің бәрін қиратам

Жаураған жүрегіңде жанып  
Сені жылытам  
Ведь между нами Махаббат  
Ты лишь моя, ты лишь моя  
Ты самый сладкий шоколад  
Ты лишь моя, ты лишь моя

## Translation:

And now I'm in trouble  
I cry in my mind  
Connected to you  
Hard feeling

The apartment is spacious  
It's snowy at night  
The feeling of thirst?  
I'm passionate about you  
Can't you feel it?  
Or were you hurt?  
Did it happen again?  
Tell me?

Because there's love between us  
You are only mine, you are only  
mine  
You are the sweetest chocolate  
You are only mine, you are only  
mine
