**4 -POINT
BAGRUT
HANDBOOK
DECEMBER 2020**

INTRODUCTION

December, 2020

Dear Teachers,

I am happy to provide the necessary information required to complete the 4- point modular Bagrut test successfully, all in one handbook. This handbook includes the content and the format of the four modules that comprise the 4- point assessment level.

Although the revised curriculum, Independent User I (proficiency level), which describes the exit level at the end of high school for 4-point Bagrut, is not yet available, this booklet already presents the necessary global and overall can-do statements that target the requirements and goals for learning, teaching and assessing English at the 4-point level.

I hope you will find this handbook useful, well-organized, and beneficial in promoting students' success in their English language studies and assessment.

Sincerely,

Dr. Tziona Levi

Chief Inspector for English Language Education

Please note: This handbook is for students taking the 4-point matriculation exams while they are in high school. For external examinees or those making up grades (mishne examinees), please refer to [the document explaining external requirements and material as it appears on the English Inspectorate Site.](#)

PROJECT WORK

PROJECT GUIDELINES

- Pupils must complete their projects before taking the oral exam.
- Projects are worth 20% - 30% of the annual school grade for 4 points. This provides students with an opportunity to earn a better annual school grade (tsiyun shnati) in Module C or E.
- Tasks should be clear, demands reasonable and assessment transparent.
- **Note:** Students who move from 5 points to 4 points do not have to write an additional project. These students will receive an additional 10 points on their 4 - point project grade.
- The recommended number of lessons for doing project work in the classroom is eight but more work is usually required individually or in small groups.
- The length of the project (the written and oral presentation) depends on:
 - whether the pupils are doing the project individually, in pairs or in groups
 - the nature of the project
 - the level of the class

For further information and ideas on the project please check the icon for Digital Projects on the Stay up to Date site.

CALCULATION OF THE SCHOOL GRADE – ANNUAL GRADE (ציון בית ספרי)

School grades in English are reflective and not predictive. The school grade reflects each student's work and achievements and is not intended to predict the grade they will receive on their external examination. On the other hand, there should not be a discrepancy of more than 15% between the average grade for the entire school and the average exam grade.

REPORTING THE INTERNAL GRADES

In order for you to be able to submit all the grades on the Marvad app, you and all the teachers on your English staff need to be registered and approved in the experts database (מאגר מומחים) of the Marvad <http://experts.education.gov.il/Account/Login>

Which grade?	Where?	When?
016483 Internal Literature Module D	The final grade for Module D is reported on the school grading software (Mashov/Manbasnet) and then when you receive the Marvad app the same grade is submitted on the Marvad app.	The final date to hand in the Literature grades for Module D will be announced each year.

Please check the [Stay Up To Date site](#) regarding the submission of grades for 07 students.

GLOSSARY

- **Can-Do Statements** "define what English language learners can actually do with language in varying situations, for different purposes, and formulated in positive terms at each level along the journey toward English language proficiency". *English Curriculum 2020 For Junior High School*
- **A Table of Specification** is a blueprint or plan of what to include in a test. It lists content, cognitive levels and the number of items on a particular exam.
- **Bagrut / matriculation exam** is a standardized countrywide high-stakes matriculation exam, held toward the end of high school.
- **Module** - a set of parts to make up a whole - for example, Modules C - 016382, Module D – 016483, Module E – 016481 and the COBE exam – 016487 make up the 4-point Bagrut.
- **Modular system** - The Bagrut in English is organized according to segments which add up to complete either a 3 - or 4 - or 5 - point Bagrut certificate.
- **Exam number** Each module is coded according the MOEs coding guidelines. Schools register students according to code numbers rather than letters. Module C- 016382, etc.
- **Final Grade** - The final calculation of the 70% Bagrut grade and the 30% annual school grade is the final grade that appears on the Bagrut certificate.
- **Internal Grade** - The literature modules (016383, 016483, 016583) are graded internally. The grade is then uploaded to the Ministry site. There is no external Bagrut exam in these modules.
- **External Grade**-This refers to the grade that a student earns on the Bagrut exam itself. This is 70% of all modules except literature.
- **30% school grade**- This is the 30% of the final grade of the module being tested and reflects the students' work and achievements during the learning process at school.
