

Conversational Phrases

Activity: spoken production

Vocabulary level: pre-band

Grade level: foundation / basic user1 / A1

Conversational Phrases

Goal

To practice receptive and productive knowledge of conversational phrases and chunks from the pre-band.

Description

The game includes 10 prompts/conversation starters [e.g. Are you ready?; Look at this!] with four possible responses. The players win points for recalling the appropriate response.

How to play

Divide the class into teams The teams are divided into colors (Red, Blue, Yellow, Green, Purple and White) on the scoreboard.

Left-click on the mouse to go to the first question and read it out.

Press one of the buttons slow - medium - fast to determine how quickly the students see the responses.

The students are required to select the appropriate response.

Click on **Scores** to go to the scoreboard slide.

Click on the arrow ⇨ to return to the question.

Click on **Next** to go to the next question.

The next ten slides show the same prompts, and the students are required to recall the appropriate response.

Variations

Encourage the students to have mini conversations in pairs or small groups, using these phrases.
