Listening Comprehension Transcript: Task 2

קריין: משימה מספר שתיים.

אתם עומדים לשמוע ריאיון ברדיו.

לפני שתשמעו את הריאיון, קראו את שאלות שתיים עד שש.

עכשיו הקשיבו לריאיון ברדיו. אתם תשמעו את הריאיון פעמיים.

Interviewer: Good Morning! We're here today with Dr. Sara Smith. She works at a special hospital and she is here to tell us about it. Hello, Dr. Smith. Can you tell us what makes the hospital so special?

Dr. Smith: Well, it is a very small hospital in New York. There are nine doctors working at the hospital **and** (stressed) we also have a dog working with us.

Interviewer: (surprised) A dog?

Dr. Smith: Yes, his name is Dr. Jack. He is a small dog with big ears. He is very cute and friendly.

Interviewer: Wow. Why do you have a dog in the hospital?

Dr. Smith: When children come to the hospital, they don't feel well. They are also sad because they don't have their friends or toys. Dr. Jack helps the children feel better.

Interviewer: How does a dog help the children feel better?

Dr. Smith: They play ball together. Some children like to read stories to him, or tell him about their family and about their school. These things make them happy.

Interviewer: That sounds great! It sounds like the dog is really helping them. But there's only one Dr. Jack. How does he help everyone?

Dr. Smith: Well that's a problem. More and more children want to play with him, so now we want to bring one **more** (stressed) dog like Dr. Jack to help the children at the hospital.

Interviewer: Dr. Jack sounds like the perfect doctor!

Dr. Smith: Yes! Sometimes you don't need to study to be a good doctor! (chuckling)

Interviewer: (chuckling) Thank you so much Dr. Sara Smith for being with us today and telling us about your special hospital.

קריין: עכשיו ענו באנגלית על השאלות לפי מה ששמעתם.

הקשיבו לריאיון פעם נוספת. זו הזדמנות טובה לבדוק את התשובות שלכם.

בדקו את התשובות שלכם.

סיימו את החלק הראשון של המבחן. עברו למשימות הבאות.

בהצלחה!

General Guidelines

- Evaluate each of the four sentences **separately** according to the list of criteria for assessment on the next page. Each criterion is given a different number of points.
- A sentence must include a subject and a verb (e.g. *Anna looks funny.*) and an object when necessary (e.g. *Tom has a big hat.*). Otherwise, give 0 for all criteria (e.g. *Tom funny.*).
- If there is more than one sentence or if there are two simple sentences joined by a connector, evaluate only the first one. E.g. *Anna looks like a princess and she pretty.* (full points)
Tom funny and he has balloons. (0 points)
- Give 0 for all criteria if the content of the sentence is:
 - incomprehensible
 - irrelevant to what is seen in the picture
 - irrelevant to the specific instructions to describe what the child looks like and to describe what the child is doing.
 - repeated with the same words in another sentence (e.g. *Tom is happy.; Jenny is happy.*).
- Add up the total points for each of the four sentences.
- Use the conversion table to calculate the final grade for task 5 item 15B.
