Teacher: Hello pupils. Please meet Amira. She is a pupil from Tel Aviv and she is here to tell us about a project called "Kids Talk".

Hi Amira, please tell us about the project.

Amira: Hi everyone. In the project "Kids Talk", pupils in Israel learn to speak English. They talk in English on the phone to pupils in America. I talk on the phone to a girl named Lucy. Lucy lives in America. She is 10 years old just like me. We love to speak to each other and we are good friends. When we talk Lucy helps me learn English.

Teacher: What do you and Lucy talk about?

Amira: We talk about many different things. Last week, Lucy told me that she lost her dog. She could not find him anywhere. I have a small dog too, and sometimes he likes to sleep under my bed. I told Lucy to look under her bed, and guess what? She found her dog there!

Teacher: That was Lucky! Tell me Amira, why do children in America join this project? They already know English!

Amira: (Haha) You are right. Kids in America already speak English, but the project is fun for them too. They make new friends and learn about Israel.

Teacher: This project sounds great! Now Amira, you enjoy speaking English and you have a new friend in America! Thank you for coming and telling us about the project "Kids Talk".

קריין: ענו באנגלית על השאלות לפי מה ששמעתם.
